ACROBATICA GROUP: THE BOARD OF DIRECTORS APPROVES THE VOLUNTARY SUSTAINABILITY REPORT 2024

Genoa, 9 April 2025 - EdiliziAcrobatica S.p.A. ("ACROBATICA" or the "Company"), the parent company of the Group of the same name, specialising in double safety rope access construction works, such as the maintenance and renovation of buildings and other architectural structures, listed on the Euronext Growth Milan segment (ticker EDAC) and on Euronext Growth Paris (ticker ALEAC), announces that its Board of Directors, which met today, reviewed and approved the voluntary Sustainability Report as at 31 December 2024, which will be made available to the public and stakeholders through the Company's institutional communication channels.

Anna Marras, Managing Director of EdiliziAcrobatica Spa: *"The voluntary sustainability report we have just approved is our fourth such report and represents a source of great pride for us. We are extremely proud of the path we have travelled so far, which now involves not only the first line of management but also an ever-growing number of people in the Group, with the aim of continuing to be a responsible company in terms of social, environmental and, of course, governance aspects."*

EdiliziAcrobatica S.p.A. is the leading company specialising in exterior renovation work. Founded in Genoa in 1994 by Riccardo Iovino and currently led by Anna Marras, the Group's CEO, the company now employs approximately 3,000 staff and operates in around 175 locations across Italy, France, Spain, Monaco, the Arab Emirates, Saudi Arabia, and Kuwait. The double safety rope technique enables the company to conduct construction activities while ensuring that clients receive efficient, safe, and sustainable services. Listed on the Euronext Growth Milan market since November 2018 and on the Euronext Growth Paris market since February 2019, ACROBATICA has integrated the principles of sustainability into its Business Model, guaranteeing a naturally sustainable service and a responsible approach that targets the well-being and satisfaction of its internal and external stakeholders. In 2022, it obtained an ESG rating that placed it among the lowest-risk companies in its cluster of reference.
